**Thank you for supporting
BOMA Buffalo and FeedMore WNY**

www.bomabuffalo.com

The Buffalo Building Owners and Managers Association (BOMA) is a federated chapter of BOMA International, a worldwide business association designed to promote and represent the interests of commercial office building ownership and management. We represent a diverse community of developers, property owners, building managers, and vendors to the commercial office building industry.

BOMA International is a primary source of information on office building development, leasing, building operating costs, energy consumption patterns, local and national building codes, legislation, occupancy statistics and technological developments. With a 100-year history, BOMA is the most influential and effective advocacy, recruitment and training organization for the U.S. commercial real estate industry.

**FeedMore
wny** www.feedmorewny.org

FeedMore WNY's mission is to offer dignity, hope and a brighter future by providing nutritious food, friendship and skills training to our Western New York neighbors in need.

FeedMore WNY's food bank (FB) and Meals on Wheels (MOW) programs have been feeding the Western New York community for a combined history of more than 90 years. In 2020, our Meals on Wheels program provided approximately 1.4 million meals to our homebound neighbors and through congregate dining sites. Our food bank program distributed more than 17 million pounds of nutritious fresh and shelf-stable foods to nearly 300 pantries, soup kitchens, emergency shelters and other hunger-relief agencies throughout Erie, Niagara, Cattaraugus and Chautauqua counties.

We are grateful to our Sponsors and Supporters. We cannot thank you enough!
