**Thank you for supporting
BOMA Buffalo and
Buddy's Second Chance Rescue**

www.bomabuffalo.com

The Buffalo Building Owners and Managers Association (BOMA) is a federated chapter of BOMA International, a worldwide business association designed to promote and represent the interests of commercial office building ownership and management. We represent a diverse community of developers, property owners, building managers, and vendors to the commercial office building industry.

www.buddysrescue.org

Buddy's Second Chance Rescue is a non-profit dog rescue that was established in 2013. They are a foster-based rescue in Western New York and save dogs from various high kill rescues to help decrease euthanasia rates of innocent dogs. They bring the dogs to Western New York where they live with their foster family until they can help them find their loving forever homes. "Buddy's" recently closed on a new 14,000 square feet building to renovate into a forever "dog house" and includes fun projects to save more dogs from kill shelters.

We are grateful to our Sponsors and Supporters. Thank you!
